

SATURDAY EXCURSIONS

TWO SATURDAYS DEVOTED TO ENJOY OUR NATURAL HERITAGE

EXCURSION TO VALSAÍN (SEGOVIA)

This excursion is a time travel experience along the route of the royal fisheries, funded by King Carlos III of Spain. An interpretative and guided hiking route that takes us to the village of Valsaín by a shady and cool path that traverses a forest.

Besides, by doing geocaching, we are going to have fun searching for treasures and we are also going to enjoy the river's fresh waters.

In the evening, we are going to have an agreeable time resting and swimming and there is also the option of doing an introductory activity to canoeing.

The bus services, the tour guide, the geocaching activity and lunch are included in the price.

EXCURSION TO CANDELEDA (ÁVILA)

This excursion is meant for participants to share a relaxing day in the region of scenic interest of the Tiétar Valley (Sierra de Gredos). The trip begins with a visit to the spectacular Cuevas del Águila (Eagle Caves), which date more than 3 million years back.

Then participants will visit the natural swimming pools of the locality of Candeledda (Ávila), where they can enjoy a relaxing bath in the heart of nature.

The bus services, the tour guide, the tickets to the caves, the swimming pool and lunch are included.
